## Life Insurance

The right life insurance policy can help make sure your client's future is taken care of.

### Financial security for families

Nobody wants to think about what might happen if the unexpected happens, but if your clients have a family, a business, or simply people they care about, life insurance could be an important part of planning for their future.

NWL® offers two kinds of life insurance - permanent insurance and universal life insurance. Choose which policy works for your clients by examining their lifestyle and financial goals.
